Criminal Case No. 1:13-CR-00142-PB

**GOVERNMENT'S NOTICE OF POSITION
WITH RESPECT TO JURY EVIDENCE RECORDING SYSTEM**

The United States of America, by John P. Kacavas, United States Attorney for the District of New Hampshire, hereby states its position that the use of the Jury Evidence Recording System in the trial of this case is appropriate. JERS will aid the jury in considering the evidence, which includes both audio and video recordings. Adherence to the procedures outlined in the local rules and the Court's website will reduce to an acceptable level any potential disadvantages to using the JERS system in this case. The defendant, by and through his counsel, assents to the use of the JERS system.

Dated: November 19, 2014

Respectfully submitted,

JOHN P. KACAVAS
United States Attorney
